The development layout does not show details of gradients of land, boundary treatments, local authority street lighting or landscaping. It is our intention to build in accordance with this layout. However, there may be occasions when the house designs, boundaries, landscaping and positions of roads and footpaths change as the development proceeds. The location of affordable homes is indicative and subject to change, properties coloured blue will remain affordable housing tenure and are not available for general sale. The remaining homes on the development are available for open market sale to purchasers, who could be private individuals or another type of purchaser (for example local authorities, housing associations or other commercial landlords), and therefore the mix of tenures on a development may change. Site plan is not to scale. Please speak to our Sales Executives for more details. November 2021.

# Moving Schemes

Tilia Homes likes to make sure that you can move into your new dream home, whatever your situation. We can help you overcome almost any obstacle that you face as a new homebuyer.

Whether you are a first-time buyer struggling to take that first step onto the property ladder, or an existing home owner having problems selling your property, the solution could be right here with Tilia Homes.

## Part Exchange

If you want to ensure a smooth and easy move to your new home by Tilia Homes, you may wish to consider our Part Exchange scheme.

## Smooth Move

We'll do all we can to ensure that your existing home is sold quickly, at the best possible price – and we'll pay the estate agent's fees.

# Benefits of Buying New

It's time to stop wasting your time and money fixing all of those hidden problems that often come with buying older properties. Buying new offers many benefits and advantages.

This image shows a typical Tilia Homes home and may include optional upgrades at an additional cost.

## Energy-Efficient

New homes are built to the latest specifications and standards meaning a more energy-efficient home.

## No Chain

You are not buying into a chain. This means a faster, easier buying process without the hassle.

## Great Incentives

Benefit from schemes only available when buying a new build, such as our Part Exchange and Smooth Move schemes.

## Have Your Say

If your potential home is still under construction\*, you may have the opportunity to choose your finishes inside your home.

## Low Maintenance

With the latest regulations and specifications it's unlikely you'll need to worry about repairs for a while. New homes also include a 10-year NHBC warranty to cover structural defects.

## It's Brand New

Be the first to live in the property. Built with high specifications. It's brand new – and all yours!

\*Available only at specified stages of build.

# Customer Commitment

Our aim is to do our best to take care of everything.

From carefully choosing the ideal location for our new community to designing and building homes that fit perfectly into the natural environment.

We'll make sure you have all the information you need every step of the way, whether that's letting you know what's happening with your sale or introducing you to every detail of your new home – we know homebuilding doesn't stop once you've moved in.

We pride ourselves on being there for our customers throughout the buying and selling process – and beyond.

Helping build homes and communities we can all be proud of, for many years to come.
